Serving  
Grades:  
6<sup>th</sup> – 8<sup>th</sup>**

**Yearly  
Tuition:  
\$4100.00**  
Including deposits.

**The Home School Enrichment Program**

*is a part of Hui Malama Learning Center's Home School program.  
It is a culturally based educational alternative to supplement  
home school studies for students in grades 6<sup>th</sup> to 8<sup>th</sup>. It provides  
students with a positive learning experience while focusing on a  
broad curriculum of key concepts and skills in reading, writing,  
math, science and social studies.*

*In order to be effective, positive parent participation is an  
essential component of this education. Parents are the primary  
influence in their child's life. By their example, children learn the  
values of family, education and the community. It is important for  
parents to support their child's school experience by being  
committed and involved. This means making sure their child  
comes to school on time, has a nutritious breakfast, is prepared  
with their completed homework, and brings all their necessary  
books and materials to class everyday.*
